Dear Parent/Guardian,

Our school is in the process of rolling out the Aladdin Schools Connect App to parents/guardians of children in our school

The school uses the Aladdin Schools software service [www.aladdin.ie](http://www.aladdin.ie) for administrative purposes and Connect will give you secure access to messages from the school and to details of your child's attendance, test results, reports cards etc via secure login from your internet browser or Aladdin Connect App

*Aladdin Connect is a fantastic way to enhance a school's communication with parents. It enables parents to stay connected and informed about their child's education by:*

- Ensuring that the school has their most **up to date contact information**
- Allowing schools to gather **permission(s)** from parents
- Allowing parents to quickly and efficiently select preferred slots for **parent teacher meetings**
- Keeping parents apprised of their child's **attendance**
- Keeping parents up to date on **school and classroom news** via noticeboard messages
- Allowing parents to view what items their child had for **homework**

*Along with strengthening our home/school partnership, we also envisage Aladdin Connect helping the school by:*

- Helping to **improve attendance** by allowing parents to view/track attendance
- Helping to reduce the amount of **class/school notes being sent home**
- Helping the school/ teachers **communicate** with parents when the need arises

*You can rest reassured that Aladdin Schools uses state-of-the-art security to safeguard information entered by the school and data is stored and processed in strict compliance with Irish and European data protection laws.*

In the next few days, you will **receive a text message** containing your **registration link**. There will be one link per parent which will allow the parent to access information for all their children in the school from one user account. Please do not forward this text/email or share this link as this is a **unique registration code** for each parent for your child/children in this school. During registration you will choose a **password** that will be used in conjunction with your email address to securely access the Aladdin Connect going forward. If you choose you may share your own contact details with other parents of children in the same class as your children, but please be reassured that this information will **not** be shared unless you choose to share it. Once you are registered you will be sent an email with links to download the Aladdin Connect App for your mobile device. ***The main advantage of using the App is to receive immediate alerts for app messages sent by your school.*** Downloading the App is highly recommended to enhance both the parent and school's Connect experience.

**In preparation for this please let the school know if your phone number has changed recently.**

*Please note: If there are any personal concerns, or legal provisions in place regarding giving access to Connect to any parent/guardian of your child please contact the school in confidence to discuss or restrict access as required.*

We hope that you enjoy using Aladdin Connect. We welcome any feedback or questions you may have.

Yours sincerely,

Máire Ní Odhráin
